## PART 2 YOUR QUALIFICATIONS OR EXPERIENCE

An Associate member of APS is required to have a minimum of 3 points in **either** the Qualifications or Experience sections. The 3 points cannot be spread over both sections.

If claiming qualifications please refer to the Credit Tables and list your qualification(s) or memberships, together with the relevant credit value and the APS reference (as in the Tables).

If claiming points in the Experience section, you may claim 1 point per (full time) year you have spent carrying out a construction related duty.
